The image displays a massive grid of Chinese logistics company names and contact details, arranged in a grid format. Each entry typically includes the company name in large, bold, black font, followed by smaller text providing service details like '专线' (Special Line), '直达' (Direct), or specific cities connected. The grid spans across various regions, from northern cities like Beijing and Tianjin to southern ones like Guangzhou and Kunming. The background is white, and the text is primarily in black, with some red and blue highlights.
